Application Procedure:

Incoming students should submit an online application:

- https://www.en.uni-muenchen.de/students/exchange/incomings/austausch_engl/application/application/index

The application form should then be signed by the student, printed, signed and stamped by the ERASMUS coordinator of the home university and sent to us by post with the following supporting documents:

-learning agreement

-transcript of records from home university

-proof of German **and/or** English language skills:

https://www.en.uni-muenchen.de/students/int_student_guide/studying_at_lmuni/applying_registering/index.html

-copy of page of passport/ID card with identity details

The applications are only processed on receipt of the printed form and supporting documents and can take up to six weeks to be approved.

Important:

Students, whose applications we receive after the official application deadline, will not be eligible for student housing.

Language Requirements:

As a rule we now require that students taking courses taught in German have at least CEFR level B2 when commencing their studies at LMU. The same applies for students taking courses in English. For further information concerning language requirements see the enclosed data sheet and:

- https://www.en.uni-muenchen.de/students/exchange/incomings/austausch_engl/application/language_requirements

Health Insurance

We strongly recommend that students arrive with adequate insurance to cover them until they are officially registered as students at LMU. Adequate health insurance is mandatory for all exchange students. There are different regulations depending on the students' country of origin. Students who do not have an EHIC or whose home country does not have a social insurance treaty with Germany are strongly recommended to take out German health insurance cover for the duration of their stay. To avoid unnecessary costs, these students should **not** take out any health insurance for their semester/year abroad before coming to Germany.

Please note that travel insurance for the duration of their stay is not enough and will not be accepted at registration (see enclosed partner data sheet).

Please find enclosed our updated data sheet. Students can download our detailed handbook for exchange students at:
