For studying in Germany, having a **recognized health insurance is mandatory.**

Non-EU students have to take out a German public health insurance once they arrived in Osnabrück. Our university does no longer accept any private or foreign health insurance. Please communicate this issue to your students, that they should not take out any health insurance from the home country, in order to avoid having two health insurance and more costs. EU students can bring their European Health Insurance Card (EHIC).

Moreover, we would like to recommend all students to get a travel insurance for the journey to Germany.

Exchange students from our partner universities can even benefit from a reduced course fee.
- **Step 4: First selection of modules in online learning agreement**
  - (only to be done by regular exchange students, dual degree students shall clear their modules with the coordinators of our international Bachelor - Ms. Anne-Christin Stockmeyer, @email or Master degree programs - Ms. Sabine Kohlsaas, @email)
