application and further documentation by regular post.

Applications received according to our deadlines and application requirements will be evaluated by a professor and the student can expect an answer regarding enrolment/non enrolment after app. 6 weeks. When the student is accepted we will send an enrolment letter along with an Acceptance form which informs the student of how to apply for accommodation, visa, when to arrive in Aalborg etc.

English language requirements

Students who are selected by your university to study at Aalborg University need to be able to follow courses, take part in project work and group discussions in English. All students need to be able to understand written material in English and of course speak and write in English. To make sure all students have the best possible starting point we require one of the following official English tests. We ONLY accept IELTS (score: 6.5), TOEFL (score: 560 (paper-based test) or 88 (internet based test) and Cambridge Certificate of Proficiency (CPE), Certificate in Advanced English (CAE and Cambridge First Certificate with the grade B.

Students who do not meet these requirements cannot be admitted to Aalborg University.

Application procedure

All students must apply ONLINE and send the printed application package via post. Therefore, please have the students fill in our [online application](#) at submit and print out. Send the application by regular mail with all the required enclosures. Please note that all documentation have to be verified.

It is very important that the students go through this procedure otherwise we cannot register them in our system.
