APPLICATION PROCESS FOR INCOMING EXCHANGE STUDENTS:

- After receiving a nomination we will send instructions to the nominated students to fill in an electronic application form at <https://www.utu.fi/en/study-at-utu/how-to-apply-for-exchange-studies>
- We will automatically send the instructions to those students who have already been nominated for Autumn 2018.
- If you already nominated a student for **Spring 2019** you have to **renominate** the student according to the instructions sent to you later.
- **The enclosures of the student** (Transcript of Records and Language

Certificate, e.g. Language Assessment Sheet as PDF files) must be submitted with the electronic application form. A scanned PDF file will suffice, i.e. there is no need to submit original documents to the International Office.

- The language certification (English B2) shouldn't be older than **2 years**.

Additionally, if the bilateral agreement is with the UTU's **University Consortium of Pori** please inform your students accordingly that place of studies is not in Turku since the distance between Turku and Pori is **150 km**, and students need to know that in advance.

The application period opens on **March 15 2018**.

The application deadlines are (at 23.59 Finnish time):

For Autumn Semester/Academic Year

- **April 15 2018** for non-EU/EEA students/Erasmus - Turkey
- **April 30 2018** for EU/EEA students

LEARNING AGREEMENT AND COURSES IN ENGLISH

- Links to our courses in English are listed on <https://www.utu.fi/en/study-at-utu/courses-in-english-for-exchange-students>
- Exchange students can choose courses quite freely across faculty borders (except Medicine, Dentistry, Law and Business) since many of the programmes are multidisciplinary.
- **Learning Agreement is part of the application form** – we do not require it to be sent to us separately.
- Students can change their Learning Agreements once they have arrived in Turku.

ORIENTATION

- All incoming exchange students are required to participate in the Orientation.
- The Orientation for students starting their studies at UTU in the autumn will be held on **August 29 - 31 2018**.
