12.00-13.30 European Projects in Action: Innovation, Inclusion and Digital Transformation

*Location: Hall of Degrees I*

This session highlights two ongoing European initiatives coordinated by the faculty that represent its commitment to innovation, inclusion, and social impact:

- **SAFE for All: Accessibility and Safety for Everyone.** An interactive session showcasing key outcomes from the ERASMU+ SAFE project -including the Mapping Handbook, Main Handbook, Scenario & Story telling Books, and the Evacuation Plan. The activity will be open to everyone's input, encouraging participants to discuss accessibility, safety, and inclusive design university environments.
- **DIGIMPACT.EU: Digital Transformation and Social Impact in Higher Education.** An European collaboration that explores how universities can lead sustainable digital innovation and foster cooperation between academia, business, and society.

The session concludes with an open discussion on how European cooperation can drive meaningful transformation in education and society.

13.30-15.30 Lunch (Faculty of Economics and Business Administration).

#### Friday 8<sup>th</sup> (in the morning). Walking Tour: Discover the City through Its Monuments
