ENTENP 2014

The Conference on Enabling Teachers for Entrepreneurship Education (ENTENP2014) regarding Initial Teacher Education (ITE) will be held at the Faculty of Education, University of Granada (Spain), on the 5th and 6th of June 2014.

The conference is organized by SEJ059, ProfesoLab, Research Lab at Training and Professionalization, University of Granada, with the special collaboration of Guarda Polytechnic Institute (IPG).

ENTENP2014 is addressed to all practitioners from the area of entrepreneurship (especially teacher and entrepreneurship education), and also to early-stage users of education in entrepreneurship.

The purpose of the event is to discuss current issues and exchange good-practice examples, in the field of enabling teachers for entrepreneurship education and looking at possible areas of development and cooperation.
